please note this is a companion version not the original book sample book insights 1 before we work on your profile you should pick a good screen name the longer you use a bad one the harder it will be to change it later and the more negative effects it will have use a simple and logical screen name 2 your profile should make the reader think you are likable trustworthy and competent it should include a picture a summary of your education and work experience and links to your blog website and social media accounts 3 your avatar should provide a picture of who you are and it should support the narrative that you re likable trustworthy and competent it should not show your family friends dog or car because there isn t room 4 the cover is a larger photo that you can use to tell a story and communicate information about what s important to you it is a place where you can blow your social media credibility by not changing the default design that platforms provide

please note this is a companion version not the original book sample book insights 1 i had wanted to be a broadway star but i was expected to pursue a serious career i was fascinated by the process of biological dissection and i wanted to know what was inside a human body 2 i was a serious and dedicated student in high school and i didn t have the time or energy to be both a science geek and a broadway fan i was painfully shy and never went on a date in high school 3 i was accepted to the university of california berkeley and i was thrilled i quickly packed my bags and was ready to start my new adventure i fell in love with the campus and the town and i knew that it was the right school for me 4 the brain is the most complex structure known to humankind it is the structure that defines how we see feel taste

smell and hear the world around us it defines our personalities and allows us to go from crying to laughing in a blink of an eye

c is a general purpose programming language created by dennis ritchie at the bell laboratories in 1972 it is a very popular language despite being old c is strongly associated with unix as it was developed to write the unix operating system

please note this is a companion version not the original book sample book insights 1 the most reliable path toward a successful nonfiction book is to write something so useful that readers can't stop talking about it this guide teaches you how to do that by applying the lessons of product designers and entrepreneurs 2 this guide is designed to be read from start to finish it covers the foundations of writing a book from designing your book's foundations for long lasting recommendability and organic growth to marketing and selling your book 3 the goal of book marketing is to stop needing to do it investing lots of time into active hands on marketing is unlikely to sell enough copies per hour to return a meaningful income the solution is to create something so useful that readers can't help but recommend it 4 there are many reasons why people write books and they vary from author to author some write to explore plant a flag and build a reputation in an interesting space others write to increase their earnings via royalties

author leo kennedy is the great grandson of sergeant michael kennedy raised in the shadow of his great grandfather's murder leo witnessed the deep psychological wounds inflicted on successive generations of his family and the families of other victims as the ned kelly myth grew around them and the sacrifice of their loved ones was forgotten leo himself was nicknamed red ned at school and taunted for being on the wrong side of australian history now for the first time and in brilliant prose that brings these historical episodes to life black snake challenges the legend of ned kelly instead of celebrating an heroic man of the people it gives voice to the victims of a merciless gang of outlaws this is a captivating true story gleaned from meticulous research and family history of two men from similar backgrounds whose legacies were distorted by history
